

January 2020'

Dear Parents and Carers,

The Health and Social Care exam is on the 7<sup>th</sup> of February 2020. To ensure that pupils are prepared for it, there are interventions that have been planned to enable your child to be as successful as possible.

There are intervention classes, every Thursday at lunch time 1.15 – 1.45pm, and after school from 2.45 – 4pm. Also there are interventions being held on:

- **5<sup>th</sup> February for 10a period 1, 11a Period 3 and 4**
- **7<sup>th</sup> February – 7.30 – 8am (masterclass before the exam in the drama studio)**

It is crucial that your child attends interventions, in order to succeed in the exam.

Please can I ask that you support your child further by encouraging them to revise for the exam at home. They have been given the revision resources, past exam practice papers and revision materials.

If you require any further information, please get in touch with Miss Miah.

Yours sincerely,
