Timeslot for results collection:

Dear Parents/Carers,

As you will be aware Year 11 Results Day is an annual event which creates nerves and excitement in equal measures for both our pupils and staff!

This year, as with many other events recently, the day will look quite different to normal and we will need to ensure that whilst we want to encourage your son/daughter to attend to collect their results, we also need to structure the day to ensure that we keep all our pupils and staff as safe as possible and that we follow the most recent guidelines about COVID 19.

Therefore, your child is being offered a **timeslot** in which to come in to collect their results and it is **absolutely vital that this is adhered to.**

Upon arrival on site, your child will be admitted by Senior Staff who will ensure that social distancing is maintained at all times as they walk into the building.

Unfortunately, we are not able to permit parents/carers and politely ask that you **remain outside the academy fence** in your car if possible to meet your son/daughter once they have collected their results.

Pupils will then be able to enter via Student Reception and will be directed to a classroom on the ground floor dedicated to their tutor group where results will already be organised and can be handed out.

If your son/daughter wishes to speak to our Careers Lead, Laura Wright, she will also be on site to offer support and answer any questions they may have about post 16 opportunities.

Regards
